DEFINITIONS

GRADING: For raw coins (not encapsulated), you may, **but are not required,** to specify a minimum acceptable grade. Coins graded below the minimum acceptable grade will not be holdered; however, the full grading fee will be charged.

REGRADE: For a coin previously graded by PCGS you feel might be worthy of a higher grade, submit it in the holder. The coin will be removed from the PCGS holder and regraded. If the coin grades lower, the terms of the PCGS guarantee will apply. For full discloser on the PCGS guarantee, visit **www.pcgs.com/guarantee/html.**

CROSSOVER: For a coin previously graded (currently encapsulated) by another grading service, PCGS will holder the coin only if it meets or exceeds your specific request notated in the Minimum Grade column on the front of the form.

Please specify one of the following options in the minimum grade column on the front of the form. If you leave this area blank, PCGS will assume the minimum grade is the grade currently on the holder.

- **CURRENT** – Requests coin to cross at grade listed on holder (no higher than 69)
- **ANY** – Requests coin to cross at any numerical grade (01-69)
- **DETAILS** – Request Genuine with Details
- If you would like to specify a lower grade than listed on the holder, write your acceptable numerical grade (include suffix if applicable).

Note the following limitations apply:

- You cannot specify a higher minimum grade.
- MS/PR70 coins must have a minimum grade of 69 or lower.
- You cannot specify a minimum details grade for genuine coins.
- First Strike or equivalent will not be recognized.

Fees: Standard grading fees will apply whether the coin crosses or not. Coins that do cross will also be charged a Guarantee Premium based on the value of the coin.*

Additional submission guidelines are located at **www.pcgs.com.**

RECONSIDERATION: Use the Reconsideration service if you would like to have your coin regraded without being removed from its current holder. If your coin's grade is determined to improve by one numeric point or more, it will be cracked out of its current holder, given the new grade, and placed in a new holder. Fees: Standard grading fees will apply whether the coin upgrades or not. Coins that do upgrade will also be charged a Guarantee Premium based on the value of the coin.*

REHOLDER: Re-encapsulation of PCGS-graded coin. Coin will not be regraded.

GUARANTEE RESUBMISSION: If you have a PCGS-graded coin that you feel is overgraded, misattributed, or counterfeit, submit the coin to PCGS through the Guarantee Resubmission Service. A fee of $25 per coin must accompany all submissions through this service. If your coin is downgraded, the terms of the PCGS Guarantee will apply and all fees and charges related to the Guarantee Resubmission will be refunded.

**The Guarantee Premium is equal to 1% of the value of the coin in its final grade. The value of the coin is determined as the higher of the Declared Value or the PCGS Price Guide value for that grade. The minimum amount for the Guarantee Premium is $5. PCGS reserves the right to make the final determination of the coin's value.*

6. Select one of the three options for our Genuine Service. Only one option is allowed per submission form: 1. Genuine with Details (default) 2. Genuine no Details 3. Do not holder Genuine-only coins.

7. Select Service Level by referring to the PCGS Services and Fees on the front of this form. Based on submission type, select either the Standard or Secure fee. Note minimum requirements and other restrictions.

8. List each coin's description. For multiple coins of same date, denomination, and variety, you may list total quantity and write on one line. For coin number, refer to PCGS Population Report or PCGS Coin Numbering System. For the date of each coin, include mintmark (i.e. 1880-S). If coin is a commemorative, list name of issue. List denomination of each coin (ex. 1¢, $1, $10). Indicate Declared Value for each coin. If no value is assigned, you authorize PCGS to assign a $50 value per line or the minimum amount allowed by the service level selected, whichever is higher.

9. Calculate Grading Fee, Handling Fee and Shipping Fee (rate chart above). There is an $8 (Eight Dollar) Handling Fee for each form. You must remit return shipping for EACH form unless you have your own shipping account with FEDERAL EXPRESS or USPS EXPRESS MAIL. IF YOU USE YOUR OWN SHIPPING ACCOUNT, YOU WILL BE CHARGED A $2 PER-ORDER FEE. Do not send postage stamps for the return of your package. Only Authorized Dealers are allowed to drop off or pick up orders at PCGS Headquarters.

10. Total your charges and mark Method of Payment. Include check, money order or credit card info. You must include payment or your order will not be processed. On orders that the Guarantee Premium will apply, PCGS requests a credit card as method of payment to help ensure quick processing of your order.

11. Read Terms and Conditions. Sign and date bottom of form. Order will not be processed without signature. Keep gold copy for your records.

12. Package coins and submission form carefully. Name of service must be clearly marked on outside of package. This will help expedite the processing of your order.

14. Note all terms and conditions are subject to change. Estimated turnaround times do not include mailing time and reflect business days.

IF MORE THAN ONE SERVICE GROUP, TYPE OF SUBMISSION, GENUINE SERVICE, OR SERVICE LEVEL IS INCLUDED ON ANY ONE FORM, YOU AUTHORIZE PCGS TO SEPARATE THE ORDER FOR PROCESSING AND AGREE TO PAY ANY ADDITIONAL GRADING, GUARANTEE PREMIUM, HANDLING AND SHIPPING FEES THAT MAY APPLY.

PCGS GRADING TERMS & CONDITIONS

By signing the front side of this form, Customer acknowledges that it has read the PCGS Grading Terms and Conditions (the "Agreement") set forth below and agrees to abide by this Agreement, and further agrees that PCGS is entitled to rely upon and benefit from this Agreement.

1. PCGS will endeavor to grade coins within the time frame, if any, offered as part of a PCGS grading service. However, PCGS will have no liability whatsoever to Customer for incidental or consequential damages due to PCGS's failure to grade any coin within any time frame. All days are business days.

2. PCGS will not grade coins which bear evidence of harsh cleaning, artificial toning, damaged surfaces, excessive major marks, minor planchet flaws, altered surfaces, PVC damage, Doctoring or similar impairments. If PCGS rejects any coin for grading in accordance with PCGS's grading standards and procedures, PCGS shall not refund the fee paid by Customer.

Customer represents and warrants that it has no knowledge and no reasonable basis to believe that any coin submitted for grading has been altered or Doctored in any way. For purposes of this Agreement, "Doctored" shall have the meaning set forth in the applicable PCGS Authorized Dealer Agreement or PCGS Collectors Club Agreement by and between Customer and PCGS (the "Customer Agreement"). If Customer has not entered into the Customer Agreement, Customer hereby agrees to be bound by the terms of the Customer Agreement, a copy of which can be found at www.pcgs.com, and Customer's signature on this Agreement shall constitute Customer's signature on the Customer Agreement. Customer reaffirms its obligations with respect to Doctored coins set forth in the Customer Agreement.

Customer warrants that all information provided hereunder is accurate and reliable and undertakes to promptly correct and update such information if Customer discovers any such information is inaccurate.

3. Grading involves individual judgments that are subjective and require the exercise of professional opinion, which can change from time to time. Therefore, PCGS makes no warranty or representation and shall have no liability whatsoever to Customer for the grade assigned by PCGS to any coin, except pursuant to PCGS's Guarantee resubmission as set forth on PCGS's website at www.pcgs.com.

4. PCGS will exercise reasonable care in handling coins submitted for grading, regrading or reholdering. However, if PCGS determines that the Customer's coin was lost or damaged while in PCGS possession, Customer will be compensated based upon the fair market value of the coin as determined by PCGS standard procedures which may include filing a claim with our insurance carrier. The declared value you stated on the front of this form is for estimating the insurance coverage only, and the fair market value of the coin may be less than your declared value. IN NO EVENT SHALL THE TOTAL LIABILITY EXCEED THE DECLARED VALUE OF THE COIN.

5. Customer must inspect all coins immediately upon receipt and PCGS disclaims any liability for damage or discrepancies or errors, including but not limited to errors in the description of the coin, unless reported to PCGS within five (5) days of Customer's receipt of the coin(s). Customer agrees to return any incorrectly described coin to PCGS upon request for correction and agrees to indemnify and hold PCGS harmless from any and all losses and/or claims caused by the circulation or sale of any incorrectly described coin.

6. Customer agrees (a) to pay to PCGS all fees and other charges when due; (b) that any delinquent balances shall accrue interest at the rate of 10% per year until paid (or, if less, the maximum interest rate permitted by applicable law); and (c) that PCGS shall have a security interest in the coins submitted, as well as in any other property of Customer in the possession of PCGS or its affiliates (collectively, the "Property"), to secure payment thereof. Customer hereby grants to PCGS an assignment of and lien against the Property in the amount of any fees and other charges due and payable pursuant to the terms of this Agreement. Customer hereby authorizes PCGS to file, at any time on or after the date such fees and other charges become due, appropriate uniform commercial code financing statements in such jurisdictions and offices as PCGS deems necessary in connection with the perfection of a security interest in the Property.

7. PCGS shall have no liability whatsoever to Customer, or any third party for whom Customer may be acting, for (i) any personal injury or (ii) for any damage to any coin, or otherwise, that Customer is unable to demonstrate was attributable primarily to an act or omission to act by PCGS while the coin was in its possession and control, except for any damage to a coin resulting from the breaking open by PCGS of a PCGS or other coin holder in which the coin may have been submitted for grading to PCGS.

8. Note all terms and conditions are subject to change. Turnaround times do not include mailing time and reflect business days.

9. Except as expressly set forth herein to the contrary, PCGS DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING PCGS' GOODS AND SERVICES, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

10. Notwithstanding anything to the contrary contained herein, except with respect to the remedies under the PCGS Guarantee of Grade and Authenticity set forth at www.pcgs.com (the "Guarantee"), THE MAXIMUM AGGREGATE LIABILITY THAT PCGS SHALL HAVE TO CUSTOMER, OR ANY THIRD PARTY FOR WHOM THE CUSTOMER MAY BE ACTING, ARISING FROM ANY CAUSE, ACT, OMISSION OR OTHER CIRCUMSTANCE, SHALL IN NO EVENT EXCEED THE GRADING FEE OR LESS ACTUALLY PAID BY CUSTOMER FOR THE GRADING SERVICES RENDERED BY PCGS WITH RESPECT TO THE COINS SUBMITTED FOR GRADING HEREUNDER. IN NO EVENT SHALL PCGS OR ANY OF ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE EMPLOYEES, OFFICERS, DIRECTORS OR AGENTS, BE LIABLE TO CUSTOMER OR ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11. In the ordinary course of its grading operations, PCGS (i) compiles data regarding each coin submitted for grading, including, but not limited to, data relating to the identity, minting, condition and grade of the coin (the "Data"); and (ii) may take, or have taken, one or more digital or other types of photographs, images or reproductions of each such coin (collectively, the "Images"). In consideration for the grading services being provided by PCGS, Customer, on behalf of itself and any third party for whom Customer may be acting, hereby authorizes PCGS (i) to compile and maintain such Data with respect to each coin submitted hereunder for grading; and (ii) to take, or cause to be taken, one or more Images of each such coin, and further agrees that PCGS will be the owner of such Data and all such Images and that PCGS may use and exploit such Data and the Images for commercial and any other purposes, as PCGS in its sole discretion deems appropriate, including, but not limited to, the publication and republication or reproduction in or on any media, of such Data and Images. Without limiting the generality of the foregoing, Customer, on behalf of itself and any third party for whom Customer may be acting with respect to this agreement, unconditionally and irrevocably transfers, conveys and assigns to PCGS any and all current and any hereafter acquired rights, title and interests (including, without limitation, rights in copyright, patent, trade secret and trademark) that Customer or any such third party may have in or to the Data and the Images (on whatever media or in whatever form such Images may be reproduced or published).

12. If any coins are being submitted for a third party, Customer represents and warrants that such third party has agreed and accepted this Agreement and has signed a duplicate copy hereof where indicated. Customer agrees to provide that third party-signed copy to PCGS at any time upon its request.

13. This Agreement is delivered and accepted in the State of California and it is the intention of the parties that it be governed by and construed in accordance with the substantive laws of that State, without regard to conflicts of laws principles. The parties hereby consent to personal jurisdiction of the courts of the State of California with respect to any legal action to enforce the terms and conditions of this Agreement or otherwise arising under or with respect to this Agreement, and agree that the Superior Court of California, County of Orange, or, if applicable, federal District Court sitting in the County of Orange, State of California, shall be the sole venue, and the State of California shall be the sole forum, for the bringing of such action. Each of Customer and PCGS agrees that the prevailing party shall be entitled to an award of its reasonable attorney's fees, costs and expenses.

14. The terms and provisions in this Agreement and the Customer Agreement, if applicable, constitute the entire agreement of PCGS and Customer (and any third party for whom Customer may be acting) regarding, and supersede all prior agreements and understandings (written or oral) between or among such parties relating to, the subject matter hereof. Except for the dispute resolution provision set forth in Section 24 of the PCGS Authorized Dealer Agreement (which shall control over Section 13 of this Agreement), if it is determined that there are any inconsistencies between this Agreement and the Customer Agreement, then this Agreement shall control. If any term or provision of this Agreement is determined, by a final and non-appealable ruling or order of a court of competent jurisdiction, to be invalid or unenforceable under applicable law, such invalidity or unenforceability shall not affect the validity or enforceability of any of the other of the terms or provisions of this agreement. Each party shall execute and deliver such additional documents and instruments as any other party may request to better evidence or effectuate the agreements contained herein, including the assignment of rights set forth in Section 11, and procedures, and further agree that PCGS is entitled to rely upon and benefit from those terms and procedures.
